Lead Free

Features

- Low Lead Brass Material: Crafted with low lead brass to ensure safety and durability.
- 180° Swivel Spout: Offers a full 180° swivel, allowing for easy and efficient adjustment of water flow direction.
- G1/2 Male Thread Connection: Features a standard G1/2 male thread at the base, ensuring seamless integration with various fittings.
- Minimalist Modern Aesthetic: Showcases a clean, modern design that complements the Serenity series as well as a wide range of contemporary bathroom styles.
- Neoparl Aerator: Integrated with a Neoparl aerator to provide a soft, smooth water flow for an enhanced basin experience.

Maintenance And Care

- Regularly check the mixer and connections for signs of wear or leaks.
- Clean the tap with mild soapy water to maintain its appearance, avoiding harsh chemicals and abrasive materials that may damage the finish.

- Dimensions are nominal measurements only.
