Features

- A complete shower system combining Body and Trim Kit for a sleek and functional design.
- Handle options include natural Italian marble (Carrara, Rome Travertine, Marquina Black) and customizable selections (Verde Alpi, Arabescato Corchia), as well as a sleek Metal Handle.
- Includes a minimalist single-function metal hand shower for a modern and streamlined showering experience.
- Features a progressive cartridge for precise water flow and temperature control.
- Note: This product is packaged with the Body and Trim Kit as separate components. Together, they form the complete Serenity Progressive Shower System. This packaging ensures flexibility during installation and shipping.

Maintenance And Care

- Regularly check the mixer and connections for signs of wear or leaks.
- Clean the tap with mild soapy water to maintain its appearance, avoiding harsh chemicals and abrasive materials that may damage the finish.

Lead Free

- Dimensions are nominal measurements only.
